New Train Service To Commence April 30

The new sport specials which the C.P.R. is putting into service between Calgary and Edmonton with the change of timetable on Sunday, April 30, will make seven stops each way daily as compared to more than 20 stops scheduled for local trains now on the run.

The tight time card for the trains, which will be named the Eskimo northbound and Stampeder southbound, was announced by J. C. Jones, general superintendent of the Alberta district. Schedules for the four-and-a-half hours run for 8:30 a.m. departure from Calgary and 3:00 p.m. departure from Edmonton have been set up by him.

On weekdays there will be regular stops at Olds, Innisfail, Red Deer, Lacombe, Ponoka, Wetaskiwin and South Edmonton in both directions. Conditional stops will be made at Carstairs and Didsbury on Sundays only. (Work for the Board of Trade).

Modern, light-weight day coaches with wide picture windows and comfort-engineered seats make up the passenger accommodation with a buffet-parlor car for dining.

An advertisement announcing the new trains and schedule will appear in our next issue.

SHOPPING CARNIVAL ADVERTISING

The Didsbury and District Board of Trade is planning a big shopping carnival in Didsbury from May 29 to 27, along the same lines as that held last fall. To advertise the event a special flier will be circulated and the advertisers have all been contacted.

The Didsbury Pioneer has been asked to print the flier, but unfortunately copy is not complete.

In order to get the advertising material out in good time the committee in charge of advertising requests that all copy be handed in to The Pioneer Office not later than Tuesday, May 2.

Advertisers who have contracted for space in the Board of Trade Flier should prepare copy immediately.

Westcott Institute Now Has Membership of 27

The Westcott Women's Institute meeting for this month was held at the home of Mrs. J. Ray with a very good attendance, 21 members and five visitors being present. The meeting opened in the usual manner, followed by a roll call of "hins on gardening." A report was given by the sick committee and a personal card of thanks from the Boyce family was read, thanking Westcott W.I. for their contribution to the polo fund.

A letter was received from a corresponding W.I. in England and was read by Mrs. H. Goetjen. They sent their 1950 program.

A donation is being made toward expenses for Mrs. McGorman, A.W.I. president, to go to Copenhagen as a delegate this summer. Plans were also made for the filling of a "hussli" for overseas, and members are to bring articles to the next meeting.

A contest for "best idea for home time-saver" which each member was to write out on a sheet of paper 4" by 6" was won by Mrs. Cliff Eckstrand for the best idea, and Mrs. Carl Eckstrand won the prize for the best writing.

The Constituency Convenor gave a report on various matters concerning the Institute, which was much enjoyed, and the delegate gave her report on the recent Conference which was held at Red Deer.

Mrs. E. Walker chose for the "Famous Canadian" Christine Van Der Mark, who wrote the book "In Due Season."

Two new members, Mrs. Summer and Mrs. Vogel, were welcomed at the meeting, and the Westcott Institute now has 27 members. The meeting closed with "God Save the King" after which a lovely lunch was enjoyed.

Diplomas Presented To Graduates of M.V.B.C.

On April 24 at 8 p.m. at the United Missionary Church took place the graduation exercises for the class of 1950. Rev. J. T. Hoskins, president of M.V.B.C. was in charge. The Rev. Bob Simpson delivered the address of the occasion, basing his remarks and challenge on the words of the Master, "With men this is impossible, but with God all things are possible." The message was a stirring call to meet the grim circumstances of the hour.

Special music was furnished by the Fideles Trio, who sang "Marvellous Grace" and by Mrs. Lydia Suter, who sang "Soul Winners." After the address Mr. Peter Waldin, instructor in speech, presented the awards to the winners of the John Suter Speech Memorial contest. This is a contest in which members of the speech department interpret orally memorized portions of Scripture. The first prize of \$10 in cash was given to Ernie Xuefeld and the second prize of \$5 in cash went to Margarita Sawatzky.

Rev. Hoskins, assisted by Miss Helen Leonard, registrar, conferred the degree of Bachelor of Theology (Th.B.) upon Lois Salmon, Abe Sawatzky, John Gamble and Ernie Xuefeld.

The following received diplomas:

Winter Wheat Started In Westcott District

We were pleased for the little moisture over the weekend, but we do need lots more. Many farmers in this district made a start on the land last week, and were tilling to start the weeds, and discing of breaking. Winter wheat is showing up well, and came through the winter season nicely.

We were pleased to see the name of Miss Gladys McDonald of Westcott in the Cinderella contest recently conducted by the T. Eaton Company across Canada. Gladys received honorable mention, her fairy god-mother being Mrs. Clarence Reinhardt.

Mr. and Mrs. Herbert Goetjen spent Saturday at Red Deer. They were accompanied by Mr. Fred Metz and Miss Mildred Swanson. Mr. Goetjen and Mr. Metz attended a municipal convention.

Local Men Directors of
Mountain View Co-Op.

The annual meeting of the Moun-
tain View Co-operative Livestock
Marketing Association was held
April 13, at Innisfail.

Chairman Ernest Esperson of
Olds, presided and Secretary Robert
Stewart, of Innisfail, presented
the annual report, which showed a
slight decrease of business from
last year, attributed to the decline
in hogs being raised, and the short-
age and high cost of feed.

John L. Eaglesham, Red Deer
district agriculturist, spoke on T.B.
infected areas, and the regulations
governing control while tests were
being made of stock within that
area.

A tribute was paid to the late L.
Bickley, of Red Deer, who was one
of the directors for the past year.
A lengthy discussion on ways
and means of increasing business
preceded the election of new of-
ficers.

The following were elected: Chair-
man, E. Esperson; vice-chairman,
W.D. Nisbet; secretary, Robert
Stewart; Innisfail; directors:
H.M. Hodgkinson, Red Deer; H.C.
Larson, Didsbury; B.R. Centre, In-
nisfail; A. Fox, Bowden; I. Ander-
son, Olds; J.H. Hosegood, Dids-
bury; Fred Donomey, Penhold; W.
S.N. Jackson, Sundre; John A. Bick-
ley, Penhold.

THE ARGENTINE CROP

Argentina is suffering from the
worst drought in 30 years. The corn
harvest which began this month is
only expected to produce from 75 to
100 million bushels compared to
last year's small crop of 180 mil-
lion bushels and the 1935-39 aver-
age of 300 million bushels. It is ex-
pected that from 30 to 50 per cent
of the crop will not be harvested.
The wheat harvest finished in Janu-
ary with an outturn of 202 mil-
lion bushels.

Walther League Has
Discussion on Cancer

"Training for a Career" formed
the basis of the Walther League
discussion at their last meeting on
Tuesday, April 18. The topic was
led by Carl Reese. It was indicated
that young people should plan and
train themselves for a career when
they are in upper grades of public
school and not wait till they finish
high school, or even till they enter
university. Training for a career
can be divided into two fields,
training the mind, the body and
soul. To do an adequate job in a
chosen career all three of these
facilities must be co-ordinated.

During the business session re-
ports on the Chinese Supper were
given. Since this had been such a
huge success, it was felt that an-
other such supper might be spon-
sored in the fall. Mr. Williams has
already indicated his willingness
to prepare another meal. Through
the work of Leonard and Charles
Rosehill, the Walther League has
provided a sign for the Church.
This will be placed in front of the
Church as soon as the necessary
posts are available. Final plans
were made for the Central Art Dis-
play in conjunction with the Dids-
bury Art Club. This display will be
in the Church basement on Thurs-
day, April 27. Delbert Berreth, who
had attended the Playground Lead-
ers course at Red Deer gave a brief
report on the course.

Following the business, Delbert
Berreth lead the group in a num-
ber of games learned at Red Deer.
The meeting closed with lunch.

POTTERY MACHINE AT B.F.

A pottery making machine of
revolutionary design will be shown
at the British Industries Fair by a
Staffordshire firm. Called the Roller
Flat Ware Machine. It incorpo-
rates a method entirely new in the
history of pottery manufacture and
gives approximately twice the out-
put of the older type machines,
about 14 saucers a minute. This
firm also produces a cup making
machine which turns out seven
cups a minute of the highest qual-
ity and only needs one person to
operate it. This firm is already ex-
porting to Canada flat making
seven saucers or five inch plates,
six 6-inch plates, five 7-inch plates,
or four 8-inch plates per minute.

WEDDINGS**BOLSTAD—RADKE**

The Evangelical United Brethren Church was the scene of an Easter wedding when Miss Anne Eva, only daughter of Mr. and Mrs. Chris Radke of Calgary and formerly of Didsbury, became the bride of Mr. Loyte Norman Bolstad, youngest son of Mr. Jens Bolstad of Bengough, Saskatchewan.

Reverend E.W. Reigel performed the double-ring ceremony.

Given in marriage by her father, the bride wore a floor-length gown of white satin, hoop skirt with lace insert, high neckline also with lace insert. Her floor-length veil cascaded from a pearl interested headpiece and she carried a bouquet of red roses.

The bride's only jewellery consisted of a double-strand pearl necklace, a gift of the groom. Preceding the bride down the aisle was the bridesmaid, Miss Jean Miller of Calgary, formerly of Didsbury, wearing a floor length gown of blue sheer with matching headpiece.

The bride's mother chose a flowered Jersey dress for the occasion with a corsage of pink carnations. During the signing of the register, Misses Irma and Lilly Reinhardt sang "O Promise Me."

A reception was held at the Mandarin Gardens immediately following the ceremony.

Mr. and Mrs. Bolstad will reside in Calgary.

BIBLE COLLEGE RECITAL

The student recital given Tuesday evening, April 11, was a pleasing success. Sixteen of Mr. Richardson's voice students participated either in solos or group numbers. Each one did commendable work. Norman Schafer gave a delightful interpretation of the negro spiritual "Ev'ry Time I Feel de Spirit". The occasion reached a lifting climax when Neil Neufeld sang Mallotte's "The Lord's Prayer."

HEALTH UNIT REPORTS WEEK'S ACTIVITIES

Saturday, April 22, 1950—The annual report of the Alberta Division of the Canadian Cancer Society has come into our hands this week, and we wonder how many people are aware of the grand work which the Society is doing. Cancer remains one of the major unsolved mysteries of medicine. Some of the most brilliant brains of Canada, the United States and Great Britain and other countries are endeavoring to discover the cause on cancer. Millions of dollars are being spent in research towards this end. Much is known, and much is being added almost daily to our knowledge, but the fact remains that the primary cause or causes of cancer still escape our grasp.

Let us now quote from the President's Report: "Until research provides the final answer to the age old problem of cancer, education of the people of our Province is the one proven media by which lives may be saved through motivating people to seek medical advice while there is still hope for cure. With the oft repeated slogan, ever before us: 'Early Cancer is Often Curable, we believe many lives can be saved.'"

This is where we would like to pay our tribute of wholehearted admiration to the Cancer Society—in the work done towards dragging the problem of cancer into the open so that it no longer remains a hush-hush disease which people are afraid to mention, and above all, in educating the members of the community towards a knowledge of the early signs and symptoms of cancer. As long as research does not give us the means of overcoming the cause of cancer, the fight against this evil disease is a race against time. The sooner the diagnosis is made the greater will be number of lives saved. And therefore let us enumerate here too the seven points which will help to put people on their guard, and warn them that their doctor must be consulted immediately. These seven danger signals are:

1. Any lump especially in the breast.
2. Any sore that does not heal readily.
3. Any irregular bleeding or discharge.
4. Any mole, wart or birthmark that increases in size or changes its color.
5. Any persistent cough or hoarseness.
6. Any persistent unexplained indigestion.
7. Any persisting change in bowel habits.

It has been estimated that the death rate from cancer would be reduced by as much as forty per cent if these symptoms were taken seriously and people were to consult their doctor in time. For no matter how clever and careful your doctor, he is quite powerless to deal with the eradication of cancer if you leave it until it is too late.

And put not your faith in ointments, salves and lotions. In cases of cancer they spell death. There are only three ways of dealing with this enemy in our midst, and one of these and the greatest of these is surgery, and the other two are x-rays and radium.

And remember, it is a race against time, and the earlier a cancer is treated, the greater the chance of cure. And remember, too, to help the Cancer Society. Your money today may one day save your life or the life of one of your loved ones.

Many among us are War Veterans—some with family responsibilities not always associated with the younger graduate.

We know that a university degree will not in itself guarantee success. It must be backed up with hard work. But, whether or not we have acquired a particular knowledge of direct interest to employers in any particular industry, we still suggest our degree is a good reference, for we have at least proven ourselves to the extent of obtaining it.

Graduates are available from all types of courses this year.

CREMONA NEWS

The Cremona branch of the Legion sponsored another very well attended whist drive in the Legion hall on Tuesday, April 18. Ladies' first prize was won by Mrs. Elmer Rands, with the consolation going to Mrs. Tom Brian. Men's first went to Mr. Stanley Schultz and consolation to Mr. Arthur Davis. Lunch was served by Mrs. Bill Dinzy. Mrs. T. Thompson and Mrs. Bob Barkley.

Mr. Jim Rattray left last week for Leduc where he is now employed.

The Cremona Hall Board sponsored a box social and dance in the community hall on Friday, April 21st with a good attendance. First prize for the best box was won by Mrs. Bill Dinzy. Her box was in the shape of a basket and represented spring. It was complete with pussy willows for handles and decorated with tulips and other spring flowers, and also baby chicks. Second prize was won by Mrs. Hugh Pearce, whose box was a very good imitation of a log cabin. A fish pond proved very enjoyable, and music for the dance was supplied by the Melody Five.

The Cremona Sewing Circle reports making donations to the following societies: Cancer Fund \$25, T.B. Association \$25, Children's Aid \$10, Boyce Pollo Fund \$15, Red Cross \$15.

The Sewing Circle plans a bazaar and tea for early fall with proceeds in aid of the Cancer Fund. The town's large fire extinguisher was put into use again Friday afternoon when a fire, started by Mr. Harry Hewitt at his home east of the school, burnt garbage got out of control and spread among the surrounding trees and into his barn and chicken house. Quick action on the part of the men who rushed from down town and school children saved the barn and chicken house from being completely destroyed. The strong wind fanned the blaze and it was very lucky that no serious damage was done.

Mrs. Leon Robertson (nee Hazel van Haften) was honoured at a miscellaneous shower sponsored by the Cremona W.I. in the United Church on Saturday, April 22. About thirty-five guests attended the shower and Mrs. Robertson was presented with many lovely gifts. Mrs. Mollie Turnbull and Mrs. Jean McElin assisted Mrs. Robertson in unwrapping her gifts. A dainty lunch was served by the ladies of the W.I.

ZELLA NOTES

A rather freak accident happened at the Zella school corner Thursday evening shortly after 6 p.m. A Ford light delivery, driven by Pat McIntyre of Sundre coming from the south, collided with a Chev. light delivery coming from the west with Vally Admundson and Earl Laughed of Bergen as occupants. The two vehicles met at the corner and the Ford truck landed upside down in the ditch, while the other truck rolled over on its side. Both vehicles were only slightly damaged. McIntyre suffered broken ribs and a fractured collar bone and was taken to the Olds hospital. The other two boys seemed none the worse for their shaking up.

Mr. and Mrs. Jim Johnston motored to Calgary on Friday to visit Harold Johnston who is in the Holy Cross hospital following an accident when he was thrown from a horse the previous week and broke his hip.

Cecil Brown left for Rivers, Manitoba, on Tuesday as his mother is reported to be very low.

Mr. and Mrs. Pete Luft drove Mrs. Emma Jahnik to Calgary on Monday for medical treatment. All returned the same day.

M.V.B.C. NEWS ITEMS

On Friday, April 21, at 8 p.m. the graduating class gave the annual Senior Program based on their class motto. This year the motto was "Not Somewhere, but Triumphantly." The substance of it was presented in "The Challenge to Christian Triumph" by Margarita Sawatzky. "The Channel of Christian Victory" by Seth Whitehead, and "The Charge to Christian Service" by Abe Sawatzky. Mrs. Lydia Gamble wrote the class poem, and Mr. Richardson composed the class song, "Not Somewhere but Triumphantly." There were also several other excellent musical numbers given.

On Saturday morning at 6 o'clock the members of the A Cappella Choir with their director, Mr. Richardson, served a very delightful breakfast out at the "rocks" east of town. This was given in honor of those persons who helped to make the A Cappella tour a success this year. H.E. Burgess, H.E. Oke, Arthur Eby, Mervin Wideman, Norman Herbert, Elvira Swalm, and William Aune, feely gave the use of their cars for transportation of the choir to their appointments, and Mrs. Pearl Lemont assisted in completing the preparation of the choir robes for use.

On Sunday, April 23, at 3 p.m., Rev. J.A. Wingblade of Wetaskiwin gave the annual baccalaureate address to the graduates at the United Missionary Church. Mr. Wingblade exhorted the members of the class to dedicate their lives to the preaching of the gospel by the evidence of its saving power, by knowledge of the Word, by preaching it, and by living the Gospel. The ladies' double trio sang "I Will Pilot Thee" by Wilson, and Mr. Richardson sang "Day by Day," a Swedish song translated into English.

On Wednesday evening, April 19, the church friends and the College faculty and students gathered at the school in honor of Miss Helen Leonard, Mr. and Mrs. Arthur Eby and Mrs. Freda Pilon, who have been members on the M.V.B.C. faculty and staff but are discontinuing this year. Miss Leonard was presented with a cash gift. Mrs. Pilon was given two books by a favorite author, and Mr. and Mrs. Eby received a generous gift of groceries.

On Wednesday, April 19, at a private luncheon of the faculty, Miss Helen Leonard, who has been a teacher at M.V.B.C. for six years, was presented with a purse of money as a farewell gift from her fellow teachers.

On Monday, May 1, the M.V.B.C. male trio, Mr. G. Lyle Richardson, William Cox and Myron Tweed will leave on a deputation tour in the interests of the School. They plan to visit points in Idaho, Oregon, Washington and British Columbia.

Mr. and Mrs. A. Walz and son Marvin and Miss Luella Strahler of Jerome, Idaho, motored through to attend the Commencement exercises. LaVerna Walz, who has spent this year at M.V.B.C., will return home with her parents for the summer.

Mrs. J.M. Andersen of Fluffton, Alberta, spent the Commencement day with her son, Chris, at the College.
